

## Privacy Policy

Welcome to [www.amyho.co](http://www.amyho.co).

[www.amyho.co](http://www.amyho.co) is a website operated by Amy Ho. Amy Ho is a real estate consultant based in Kuala Lumpur. She is here to provide advice and work alongside anyone or companies that are interested in investing in Kuala Lumpur. She hopes to work alongside to establish strategies in achieving your real estate investment goal.

The use of any services ("Services") provided by Amyho or access to its content gives the user the status of User ("User"). [www.amyho.co](http://www.amyho.co) allows users to view listings of properties and get in touch with us.

We do realize that no one really enjoy reading long, legal documents, so we will try to make it as simple and painless as possible and explain in simple terms what information we collect about you, what we use it for and the few situations in which we share it with others.

Please read this privacy policy carefully. Whenever you use this website, you will be subjected to the Privacy Statement and you should review the text to ensure that you agree with it. The provision of your data is voluntary, however, please note that if you do not provide us with the required personal data, we may not be able to provide the information, products or services you need or process your request.

### **The Information We Collect**

When you use [www.amyho.co](http://www.amyho.co), we ask you for your name, contact details and relevant details. You may choose to give us a pseudonym instead of your legal name.

### **How We Use and Disclose Your Information**

A big part of [www.amyho.co](http://www.amyho.co) is to help you find your dream property, be it to help you buy or rent, that is why we ask you for your email address to enable us to track your search history.

We will never share, sell or otherwise leverage your data, unless you agree to it. The information we collect is necessary for the smooth running of our website - don't worry, we'll only ask for data that we need.

If you have any questions or any requests, please drop us a line and we will do our best to help.

### **Web Storage and Tracking Policy**

We use cookies and HTML5 local storage to help us create your session, know when you're logged in, and help us remember certain information about how you interact with [www.amyho.co](http://www.amyho.co).

If you'd rather not use cookies or HTML5 local storage, most browsers have the option for you to turn them off, or require your approval before using them to keep information. If you choose not to keep information in cookies or HTML5 local storage, though, certain sections of [www.amyho.co](http://www.amyho.co) may not work as intended.

www.amyho.co also uses web beacons in advertisements to allow www.amyho.co and its advertising partners to see how users view and engage with advertisements. Depending on your advertising preferences set in your operating system, www.amyho.co may share your Advertising ID with advertising partners anonymously, without being tied to your name or email address.

Some publishers or other third-party services that we partner with may use cookies, web beacons or other technologies to keep track of your Internet activity. Please note that this privacy policy explains www.amyho.co's policies only, and doesn't cover the practices of other services.

Some browsers make it possible for you to opt that you don't want your Internet browsing activity to be tracked. The Internet community hasn't reached a consensus on how to best honor these signals, so we don't respond to Do-Not-Track requests at this time.

### **Changes to This Privacy Policy**

As www.amyho.co continues to develop, we may decide to revise this privacy policy from time to time. The most current version will govern our use of your information and will always be at [www.amyho.co](http://www.amyho.co) Privacy Policy.

### **Contact**

We'd love to hear your questions, concerns and feedback about this privacy policy. If you have suggestions for us, let us know at [amyho.mm@gmail.com](mailto:amyho.mm@gmail.com)
